WELCOMING WORDS:

Thank you for choosing Kedah again to host the FMS Scientific Meeting after 9 years of break. This time it's the 13th FMS Scientific Meeting and we are proud of hosting this meeting in Awana Porto Malai Langkawi land of beauty, hospitality and excitement. Topics chosen are variety and focuses on the achievements in Primary Care that reflects our theme "PRIMARY CARE : NOW MORE THAN EVER". As holistic and comprehensive, it is in primary care we have also arranged topics pertaining to clinical management and updates. So please enjoy the meeting and feel free to choose topics of your choice but not forgetting to experience the majestic of Langkawi.
Welcome to all.

OBJECTIVES:

- To promote primary care at all level of services.
- To empower, motivate and share experiences among healthcare providers in various field of interests.
- To provide benchmarking of various expanded scopes in primary care.
- Inculcate the culture of knowledge expansion at all levels of health-care providers by exposure to various practical and pertinent topics.
- Continuous updating of medical issues and clinical management.
